

Dear Friends,

SV is proud to present *Disney's Mary Poppins* as the All-School Musical. Each year, our musical is enjoyed by over 5,000 people. We offer area businesses an opportunity to advertise in the program booklet which also allows us to defray the cost of the production. This is a great way for you to be recognized as a supporting business and show that you care about students in our community.

When submitting the form below, please give us the name of the student who solicited the ad, and the desired size and cost of your ad. We are now requesting that camera ready ads, logos, and text be emailed to. **Due February 3, 2023.**
